GOLD-STELLAR

Advertising

Portfolio introduction

Gold-Stellar Advertising is a premium advertising agency crafting digital eminence across five continents.

At Gold-Stellar, we understand education from the inside. Before building this agency, we taught the classrooms, counselled the students, and led the marketing teams that fill university seats. That's the lens we bring to every campaign — one that balances enrolment targets with the trust parents, students, and faculty expect from an institution worth choosing.

HAPPY NEW YEAR
2025

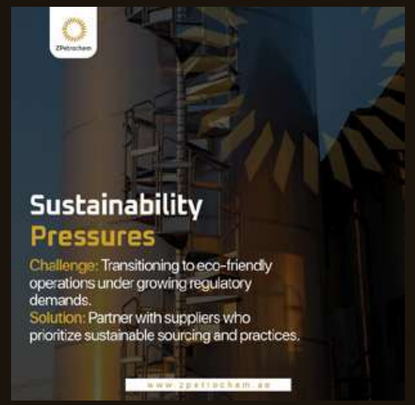

Quality Control Issues
Challenge: Inconsistent raw material quality impacting production.
Solution: Choose suppliers committed to strict quality standards and testing procedures.

At ZPetrochem, we prioritize quality, consistency, and customer satisfaction. Choose a supplier who shares these values for a successful partnership!

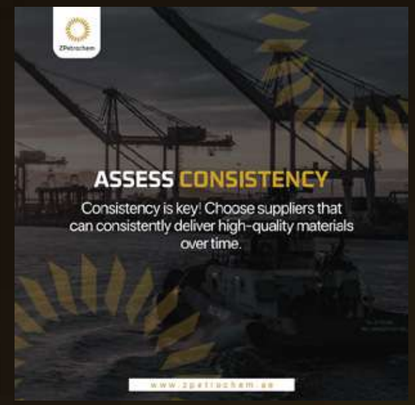

CHOOSING THE RIGHT SUPPLIER
3 Essential Tips for Selecting a Reliable Raw Material Supplier

Sustainability Takes Center Stage
• Eco-friendly practices: Increased focus on reducing emissions.
• Bio-based materials: Growing demand for renewable raw materials.

Stay Ahead with ZPetrochem
At ZPetrochem, we're aligned with these trends to ensure our clients thrive in the evolving landscape.

Sustainability Pressures
Challenge: Transitioning to eco-friendly operations under growing regulatory demands.
Solution: Partner with suppliers who prioritize sustainable sourcing and practices.

CONSIDER CUSTOMER SUPPORT
Strong customer support can make a difference. Ensure your supplier offers responsive communication and support for any issues that may arise.

ASSESS CONSISTENCY
Consistency is key! Choose suppliers that can consistently deliver high-quality materials over time.

Circular Economy Initiatives
• Recycling and reusing petrochemical products.
• Emphasis on reducing waste across industries.

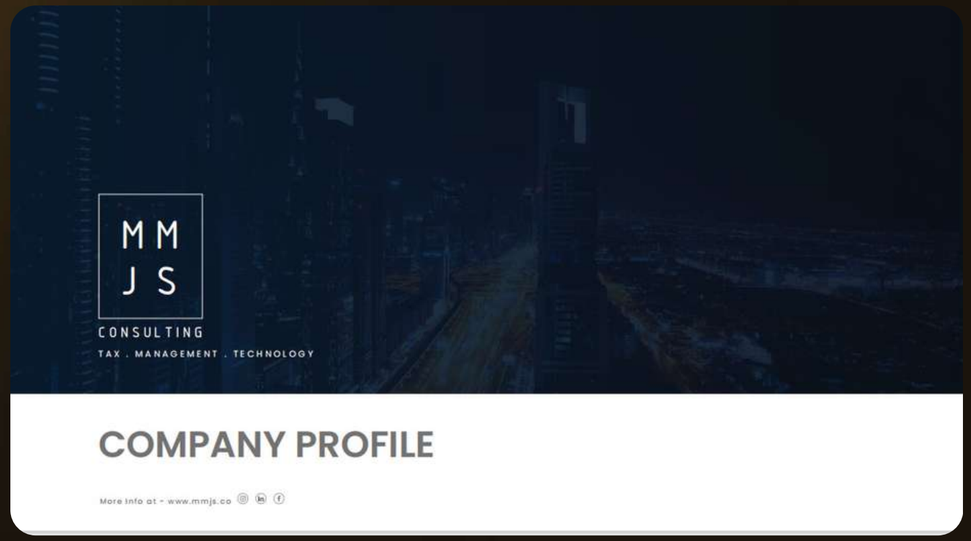

Regional Shifts in Production
• Middle East and Asia emerging as key players.
• Increased investments in sustainable petrochemical projects.

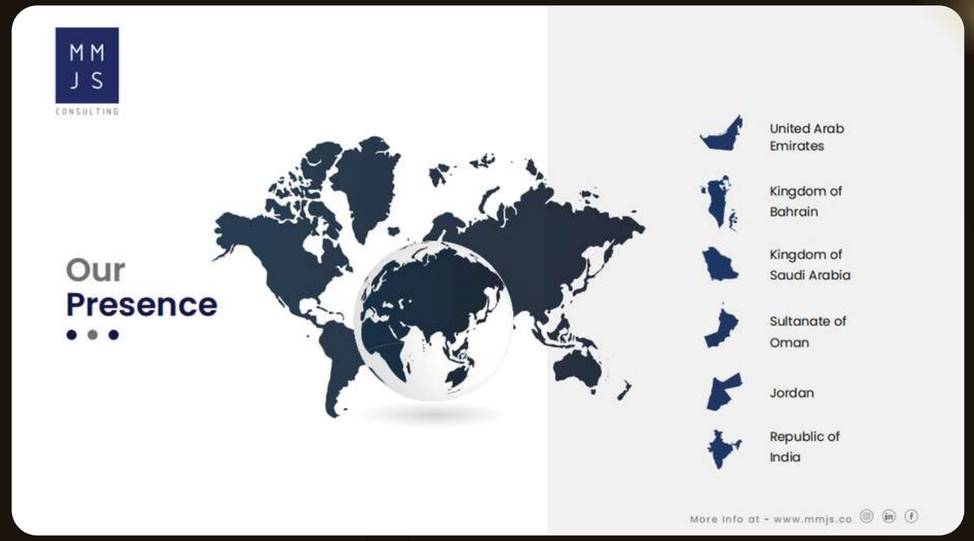

Geopolitical Instability
Challenge: Disruptions from trade regulations and international conflicts.
Solution: Work with a supplier experienced in navigating global markets, like ZPetrochem.

Logistics & Transportation
Challenge: Delays and inefficiencies in transportation networks.
Solution: Partner with reliable suppliers who offer streamlined logistics and global networks.

Travel Promotion

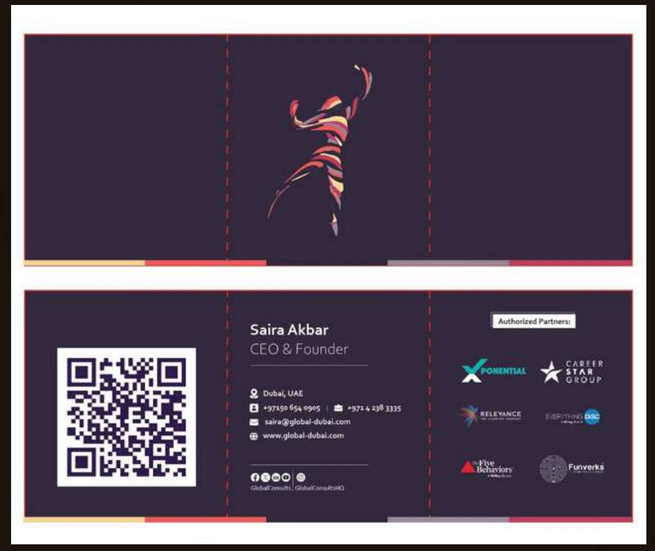

Hallo, ich bin Mary de Ridder

die Gründerin von Sales & Promotion Marketing, das jetzt unter dem neuen Namen ‚Travel Promotion' firmiert.
Es begann alles mit einer unbedarften Überlegung während meiner ersten Jahre in Deutschland. Ich erkannte das ungenutzte Potenzial und damit einhergehend die Möglichkeit, DMCs in Deutschland zu vermarkten, die sich auf Gruppen- und die damals neuen MIE-Reisen in ihren Zielgebieten spezialisiert hatten.
Mein Fokus bestand nicht darin ein eigenes Unternehmen aufzubauen, sondern vielmehr die Lücke zwischen außergewöhnlichen DMCs und dem florierenden deutschsprachigen Markt zu schließen. Und so entstand Sales & Promotion Marketing.
